Tuesday Tips is an outreach effort by OGCA. The idea behind Tuesday Tips is to convey tips, tricks and other helpful information around the area of research administration. Our goal is to post on (almost every) Tuesdays. If there is something you would like to see covered on Tuesday Tips, email: UAF-GCReATE@alaska.edu. For more Tips visit OGCA website.

Current and Pending / Other Support for Proposals and Awards - What Not to Include

Many funding agencies require the submission of information about active and pending support for ongoing projects and proposals to prevent scientific, budgetary, or commitment overlap. This information is used by the funding agencies to assess the capacity of the individual to carry out the research as proposed as well as to help assess any potential overlap/duplication with the project being proposed. It includes all resources made available to an individual in support of and/or related to all of their research efforts, regardless of whether or not they have monetary value. Current and pending support information may need to be submitted to the federal agencies for the PI and other key personnel on the project as
