Under the general topic of program management is a series of one credit courses that are designed to offer students instruction about the larger context in which projects are conceived and built. This course will examine a special topic under this general category.

.

20. IMPACTS ON PROGRAMS/DEPTS

What programs/departments will be affected by this proposed action?  
Include information on the Programs/Departments contacted (e.g., email, memo)

GCCEM, CEE, dCEM

21. POSITIVE AND NEGATIVE IMPACTS

Please specify **positive and negative** impacts on other courses, programs and departments resulting from the proposed action.

None

JUSTIFICATION FOR ACTION REQUESTED

The purpose of the department and campus-wide curriculum committees is to scrutinize course change and new course applications to make sure that the quality of UAF education is not lowered as a result of the proposed change. Please address this in your response. This section needs to be self-explanatory. Use as much space as needed to fully justify the proposed course.

**9. C**

Due to the limited number of classes, attendance and class participation is expected in all classes, unless arranged otherwise with the instructor, and will be considered in determining final grade. Plagiarism will not be tolerated

**10. E**

The grading policy, including *how students will be evaluated, what factors will be included, their relative value, and how they will be tabulated*, will be specific to each offering of the course

**11. S**
