EFFECTIVE: Spring 2012

In May 2011, the General Education Revitalization Committee proposed a new set of objectives and student learning outcomes intended to be used for all of UAF's baccalaureate degrees and two of UAF's associate degrees. These were adopted by the UAF Faculty Senate at meeting #175, held May 2, 2011, for the purposes of developing the next general education strategy and the strategies to be used in assessing it.
