Motion to Revise NonUA Transfer of Courses

Motion:

To allow the UA Board of Regents' definition of general education requirements (R10.04.040) to be applied when determining which transfer courses may be used to meet UAF's Perspectives on the Human Condition (PHC) core requirements.

Rationale:

Students transferring to AF without an AA, AS, or a bachelor's degree from a regionally accredited institution outside the University of Alaska system do not receive core waivers and their transfer courses are evaluated on a course basis using the North Table of Substitutions (page 37 of the 2013-2014 UAF catalog). This results in many ransferstudents receiving very little credit which will meet UAF PHCcore requirements. This motion seeks to make it possible for transfer students, who have taken general educations sels in good faith at other institutions, to receive a more liberal review of these transfer courses receive more credits which will meet UAF PHC requirements based on the BOR definition of general education requirements.
